

CARROTY WOOD

WOODLAND DISCOVERY

Our centre in Kent is set in 58 acres of beautiful enclosed woodland and is close to both London and the south coast. Carroty Wood has up to 168 beds and is our busiest centre with most weekdays and weekends full from March through to November.

LEARNING OPPORTUNITIES

Carroty Wood has 21 instructed activities on offer including; abseiling, high ropes, archery, bushcraft and offsite canoeing and kayaking. There is an indoor swimming pool so you will get a lot of lifeguard experience and the centre has use of a lake for offsite paddle sports. Carroty Wood welcomes a lot of youth groups and organisations such as the Princes Trust and you will have plenty of opportunities to develop your youth worker skills. School guests are offered morning assemblies with a Christian message which are led by instructors. Throughout the year there are a variety of offsite training trips organised to places such as the Peak District and North Wales.
